

August 2019 WELCOME BACK!

Dear Magnet Mustangs and families,

I hope that you are enjoying the last of a relaxing and enjoyable summer! Furthermore, I hope that you are as excited as I am about the new school year. Whether you are beginning your first year, your senior year, or somewhere in between this is going to be an exciting year of numerous learning opportunities.

Counselors, teachers, administrators, custodians, parent volunteers, and many Mustang students have been busy preparing for the 2019-2020 school year. We truly are a *"A community of learners committed to student success!"* and every person makes a difference!

Mrs. LaRoy and I are making plans to have more individual and small group student meetings, will continue to host Magnet Coffee Talks with parents, and have a goal to each share one large Edmodo post weekly. Last minute posts will occur when we receive last minute information. Therefore, be sure to update your Edmodo settings to receive notifications.

New this year- big changes (required by CollegeBoard) to Advanced Placement (AP) exam registration. Students will receive AP exam registration information from their AP teachers; I will continue to share information via the Edmodo 2019-2020 AP Exam Information group, and I am hosting an AP information meeting for parents and students prior to the start of the Open House in August.

Thank you to all who are making sure the start of the school year is great! I look forward to greeting students August 1- please stop by my office! I also look forward to communication with parents at Open House and at Magnet Coffee talks. I consider it a privilege to serve as Magnet Coordinator and believe that we will make the 2019-2020 school year better than ever!

Warm regards,
Kelly Ingle, Ed.D.
